## Money Saving Advice and Support

### Children's Boot Fund

If you are on a low income and your children need new school shoes, come and let the office know and complete a boot fund application. Only one application per year is accepted.

You could get up to 70% off the average Severn Trent bill.

The Big Difference Scheme can offer a reduction of water bills to any Severn Trent customer with a household income below £22,010.

Households with child dependents may be eligible for an additional income allowance in excess of this amount.

The Scheme will assess your household income when you apply, and that assessment will determine how big a reduction you're eligible for.

If your application is successful, you'll get a brand new payment plan. The Big Difference Scheme will design a payment plan especially for you which will include payments towards any outstanding debt on your account.

### Healthy Start

If you're more than 10 weeks pregnant or have a child under 4, the Healthy Start scheme can help you: buy healthy foods like milk or fruit, get free vitamins. You need to be claiming certain benefits to qualify.
