

Year 4 Spring Term 1 Overview

Maths

The topics we will cover are:

- Place Value

- Addition and subtraction

English

We will write a non-chronological report and the build-up and resolution of a story.

We will use fronted adverbials and expanded noun phrases in our writing and practise using possessive apostrophes.

Science

We will learn about producers, predators and prey and how to construct food chains.

SCIENCE

Spanish

We will learn to talk about our family.

P.E

Our P.E. topics are badminton and netball.

P.E days are on Wednesdays and Fridays.

Geography

We will complete a regional study of London, explore land use and consider how this affects daily life.

Homework

Maths – TTRockStars

You should be completing 20 minutes in the garage section each week.

Reading – You should be aiming to read at home 5 times a week. There are prizes once you complete 20, 40, 60 and 80 reads at home.

Spellings – Spellings patterns will be given out weekly and the class will be tested the following week.

Art/DT

We will be printing. We will be look at the work of Edward Bawden and create a print of an Egyptian landmark.

RE

We will explore why some people find Jesus inspiring.

Music

We will learn about pitch, pulse and tempo.

Computing

We will learn how to use a spreadsheet.
