

Year 1 Spring Term 1 Overview

Maths

The topics we will cover for the rest of the Autumn Term are:

Place value, addition and subtraction, multiplication and division, time and fractions.

History

We will be learning about Mary Anning and how she advanced the field of palaeontology.

English

We will continue to practice the skill of sentence writing using capital letters, finger spaces and full stops. We will be creating our narrative sentences using our new Year 1 phonics sounds.

R.E.

We will be learning how and why we celebrate special and sacred times.

This includes celebrations from the Jewish, Islam, Christian and Sikh faith.

Science

Our next topic of the year is body parts. We will identify our 5 senses and which body part is used for them.

SCIENCE

Music

We will be learning to focus on the quality of our singing tone and identifying instruments through timbre.

Computing

The children will be using chrome books to create pictograms.

Art/DT

Year 1 will continue to work on our fine motor skills through drawing and making fruit salads.

Phonics

We are learning new phase 5 phonic sounds in class and alternate letters that make the same sound.

phonics

Homework

Maths – Numbots
You should be completing at least 10 minutes a week.

Reading – You should be aiming to read at home 5 times a week.
