

Year 2 Spring Term 1 Overview

Maths

The topics we will cover for the rest of the Autumn Term are:

Number and Place Value, Addition and Subtraction, Multiplication and Division and Fractions of amounts.

English

We will cover topics on fictional recounts and Non-Chronological reports. We will look at how to use exclamation and question marks. We will also start extending our sentences using when, if, or, and but.

Art/DT

Year 2 will begin to use clay to create a 3-D structure. We will look at the works of Henry Moore and Anthony Gormley.

History

We will be learning about the Christopher Columbus and the view points others have of him.

Science

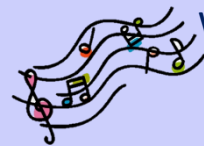

Our next topic of the year is animals including humans. We will focus on food and exercise.

Computing

We are investigating how spreadsheets work.

Music

We will be learning to sing a range of songs and to pitch match our singing with others.

Homework

Maths – Numbots

You should be completing at least 10minutes a week.

Reading – You should be aiming to read at home 5 times a week.

Spellings – Spellings words linked to the daily phonics lessons will be given out on Fridays and the class will be tested the following week.

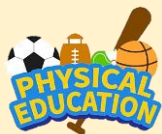

P.E

Our PE topics are:

Dance for Indoor sessions
Hit, Catch, Run for outdoor sessions.

P.E days are on Mondays and Tuesdays.

R.E.

We will be discussing how we should care for others and the world and why does it matter?

Phonics

We are continuing to work on our phase 5 phonic blends in class and alternate letters that make the same sound.

Reading

As Reading is such an important part to learning and everyday life, there will be new competitions coming soon to encourage all children to be reading daily.

Watch out for more information.
