

# Reception Spring Term 1 Overview

## Maths

The topics we will cover this half of the Spring Term are:

Number bonds to 5, conservation of number (to 5), subitising beyond 3 and counting.

## English

We will continue to learn new phonemes and build upon prior phonics knowledge. Our new texts; Jack Frost, Blue Penguin and The 3 Letter Pigs will support comprehension understanding, writing captions as well as word reading.

## Science

Our next topic, which will be explored alongside our literacy texts, is Winter. We will observe seasonal changes in our environment and explain the changes we notice.

# SCIENCE

## History

We will be using information in books to talk about and recall historical facts.

## Art/DT

Year 1 will continue to work on our fine motor skills through drawing, joining with different materials and scissor skills.

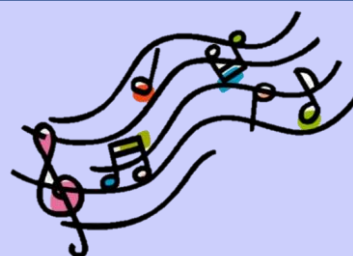

## Phonics

We are learning new phase 3 phonic sounds – introducing the first few trigraphs the children will see. As the term ends, these new phonemes will support children in reading longer words.

# phonics

## Music

We will be learning to use instruments to represent different sounds and clapping to a variety of rhythms

## Homework

Reading – You should be aiming to read at home as soon as a new book is given (every Friday). Books to be returned the following Monday or Tuesday.

Please refer to the homework grid given out at the end of the 1<sup>st</sup> week.
