Dear Parent/Carer,

The school has been given the opportunity to take part in a project - 'Operation Encompass' that will run jointly between many schools in Coventry and West Midlands Police.

Operation Encompass is a project which involves schools being informed of any domestic incident where a pupil has been exposed to, or involved in. Schools who are part of this project, will be informed of the incident before 9am on the next school day.

Operation Encompass will ensure that a member of the school staff, known as a Key Adult, is trained to allow them to liaise with the police. For Stoke Heath Primary, this is the Designated Safeguarding Lead and Assistant Head - Laura Boulstridge. The information shared about the pupil/pupils who attend the school will be done in confidence, whilst also ensuring that school is able to make provision for any possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved. We are confident that parents and carers will appreciate and value the support that we could offer children in these circumstances as part of schools' role in keeping children safe.
